- ENGAGING CHURCHES - SUB-SAHARAN AFRICA - Gracelife Baptist Church of Christiansburg, Va., is in the midst of planning four trips to Zimbabwe in an effort to continue ministry among the unreached N people. Pray that God will organize these teams and prepare each team member's heart for the work He has planned. The first trip will take place at the end of April and will consist of leadership and evangelism training. Ask God to prepare the hearts of N believers to be sensitive to His calling, find strength and resources to attend the training, and become bold witnesses of His Word. Pray for God's clear direction to be discerned by the April team, and ask that N people will be open and receptive to the teaching topics. Pray that the training will “cast a vision” for the N believers, resulting in an excitement for Jesus and a time of growth and encouragement for all involved.
